Change to the Financial Calendar

Charwood Energy (ISIN: FR001400AJ60, ticker: ALCWE), a French specialist offering tailored energy solutions from biomass recovery, announces that the publication of its 2026 half-year results has been brought forward to Monday, October 26, 2026, before market open (instead of after market close on the same day).

About Charwood Energy

Convinced that biomass is a key response to the challenges of the energy transition, Charwood Energy designs, installs and maintains tailored solutions for the production of biomass renewable energy.

Charwood Energy has a wealth of technical know-how and expertise in all biomass recovery technologies, including heating and heating networks, anaerobic digestion and pyrogasification.

Positioned since 2019 in the promising area of pyrogasification technology, Charwood Energy is now also involved in the development and operation of proprietary pyrogasification units aiming to produce and sell green gas (syngas), biochar and carbon credits to industrial customers under direct purchasing contracts.

The company is listed on Euronext Growth® Paris (ISIN: FR001400AJ60, ticker: ALCWE) - Eligible for PEA PME equity savings plans - Certified as an "Innovative Company" by Bpifrance.
